

@ DUBAI
INTERNET
CITY

information pack

welcome

Dubai Internet City (DIC) is a dedicated technology hub and part of **TECOM Group** where businesses, innovators and entrepreneurs from all over the world work, connect and share their vision for a bold new tomorrow.

We offer a strong community centric ecosystem focused on **knowledge-sharing, collaboration and innovation** as well as a range of experiences and facilities to help nurture ideas and business growth.

join our community in 3 simple steps:

step 1

submit your application

Begin your journey by completing your application online for approval using our personalised and easy to use smart services portal [axs](#).

step 2

select office and complete the payment

Select your required space from a wide range of options and complete the payment on the axs portal.

step 3

receive your business license and begin your journey

Upon successful payment and review of the uploaded documents, you will receive your business license, counter signed lease agreement and personal sponsorship agreement.
